

2026 MPHA Spring Awards Nominations

MPHA Awards Nominations

The Maine Public Health Association is currently accepting nominations for awards to be presented at our Spring Awards & Networking Event, which will be held on Thursday, June 4, 2026. The deadline for nominations is Friday, March 6th at 5pm.

The MPHA Spring Awards & Networking Event provides an opportunity for the public health community to come together to salute our partners, celebrate our accomplishments, reconnect with colleagues, and get energized for public health in 2026!

To view previous award winners, please visit:

<https://www.mainepublichealth.org/about/awards>. If you have any questions, please email us (info@mainepublichealth.org).

Nominations will be accepted for the following awards:

Public Health Program of Excellence Award

MPHA recognizes effective, efficient, evidence-based and creative public health programs that you know of in your community, district or throughout Maine. The goal of the Program of Excellence Award is to increase the visibility of public health initiatives in Maine, to promote adoption of effective public health programs, and to provide recognition to organizations involved in successful collaborative public health initiatives.

Ruth S. Shaper Memorial Award

The Ruth S. Shaper Memorial Award recognizes an individual who has made a significant contribution in the area of public health. The individual will have demonstrated a broad orientation to health promotion and disease prevention that extends beyond their specific profession or field of interest. For example, the individual may have made a meaningful impact in health legislation, health education, health policy development, or consumer advocacy at either the community or state level. Professional rank or status in an organization is not an important factor.

Phebe Conrey King Access to Healthcare Award

The Phebe Conrey King Access to Healthcare Award recognizes an individual or individuals who have made a significant contribution to improving access to healthcare in Maine. The individual(s) will have demonstrated leadership abilities in promoting increased access to healthcare by all Maine residents. They will have made a significant contribution toward meeting the needs of the uninsured and medically under-served. The nominee need not be a member of the Maine Public Health Association. Programs are not eligible as MPHA has previously established an award to recognize exemplary programs.

Pamela M.B. Studwell Tobacco Policy Award

The Pamela M.B. Studwell Tobacco Policy Award is given to an individual whose dedication, persistence, and passion for improving lives has significantly advanced best practice tobacco policies in Maine.

Public Health Policy Champion Award

This award recognizes a policymaker (either an elected or appointed government official at the municipal, state, or federal level) who has made a significant contribution to public health in Maine.

Public Health Journalism Award

This award recognizes a journalist who has made a significant contribution to public health in Maine.

Public Health Business Champion Award

This award recognizes an organization (for-profit or non-profit) for its leadership and commitment to integrating and promoting public health values into their practices.

Public Health Rising Star Award

This award recognizes a young professional (<40 years old) in Maine who has made a significant contribution to public health in Maine.

Unsung Hero Award

Public health is at its best when we don't realize it's serving us. This award is for those who work hard every day to protect a
